

Virto Industrial Supply

2026 Industrial Catalog

Full product range — effective 1 January 2026

This catalog lists the complete Virto Industrial Supply range for the 2026 season, including the new fastener and abrasives ranges introduced in Q4.

Prices shown are list prices in US dollars and exclude applicable taxes. Accounts holding a volume pricing agreement should refer to that agreement for contracted tier pricing, which supersedes the list prices in this catalog.
